🔗 Portfolio

PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Full Stack Developer with hands-on experience in building web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Skilled in developing RESTful APIs, implementing secure authentication (JWT, OAuth), and building responsive, mobile-friendly user interfaces. Passionate about clean code, performance optimization, and delivering seamless user experiences. Seeking an internship opportunity to apply and expand technical knowledge in a collaborative environment.

EDUCATION

Bachelor of Information and Communication Technology (BICT Hons) , University of Vavuniya	2021 – present
GCE A/L and O/L Examinations , Cp/Kot/Gamini Dissanayaka National School	2005 – 2019

SKILLS

Languages:

Java, C++, C#, JavaScript, PHP

Backend:

Node.js, Express.js, Laravel

Tools & DevOps:

Git, GitHub, Postman, Vite, Apache Server

Frontend:

React.js, Next.js, Tailwind CSS, Bootstrap, HTML5, CSS3

Databases:

MongoDB, MySQL

PROJECTS

Farmer Product Management System

, MongoDB, Express.js, React.js, Node.js ✍

- Developed a web marketplace for farmers to list products and manage inventory.
- Created dual-panel interfaces for customers and admins with secure JWT-based login.
- Implemented role-based access control and CRUD functionality.
- Tested REST APIs via Postman.

Store Application

, MERN Stack, Chakra UI ✍

- Built an eCommerce web app with dynamic product listing, search, and filtering.
- Designed backend REST APIs for authentication, product, and order management.
- Developed a responsive UI using Chakra UI and React.

React Portfolio Website

, React.js, Vite, Netlify ✍

- Created a personal portfolio site with light/dark mode and AI-generated cartoon logos.
- Optimized for mobile responsiveness and performance.
- Deployed via Netlify for global accessibility.

Student Management System

, Laravel 10, MySQL, Bootstrap, Apache Server ✍

- Developed a system to manage students, courses, teachers, and enrollments.
- Applied MVC architecture for backend logic.
- Deployed locally via Apache with responsive Bootstrap UI.

CERTIFICATES

Responsive Web Design — By FreeCodeCamp

Postman API Fundamentals Student Expert — By Postman Academy

PROFESSIONAL EXPERIENCE

School Leaver Intern — People's Bank

- Gained exposure to customer service, administrative workflows, and bank operations.
- Developed communication and teamwork skills in a fast-paced professional setting.
